
VICTORIA SURFACE DESIGN

Driven by Innovation, Defined by Excellence

THIS IS WHO WE ARE

DRIVEN BY INNOVATION, DEFINED BY EXCELLENCE

At Victoria Surface Design, we offer a comprehensive, one-stop solution for all your unique surface finishing needs. Whether you're looking for innovative designs or flawless execution, our expert team guides you through every stage, from initial engineering and concept design to precise manufacturing and professional installation.

With our custom-crafted solutions, we ensure that your vision is brought to life with the highest level of quality and care, transforming your project into a true work of art.

ELEVATORS THAT ELEVATE LUXURY

Step into sophistication with our custom-designed elevators that blend seamless functionality with modern elegance. From sleek stainless steel finishes to innovative handrail designs, every detail is crafted to enhance the aesthetic and elevate your space. Whether in high-end shopping malls or luxury residences, our elevators not only move people—they make a statement.

OUR STORY

At Victoria Surface, we blend innovation and craftsmanship to transform spaces.

Based in Toronto, we specialize in creating custom architectural surface solutions in various colors, shapes, and finishes. Our team is dedicated to bringing your vision to life, from concept to installation, shaping unique experiences along the way.

FLAT ELEVATOR HANDRAIL

Our Flat Elevator Handrails feature a sleek, rectangular design, built for durability and easy maintenance. Available in polished, brushed, and custom finishes, they include a nano-ceramic coating for stain and germ resistance. Ideal for high-traffic areas, they offer both style and functionality with customizable options.

STRAIGHT ENDS

Our Straight End Handrails offer a bold, minimalist design with durable construction and easy grip. Available in various finishes with optional nano-ceramic coating, they ensure style, strength, and a perfect fit.

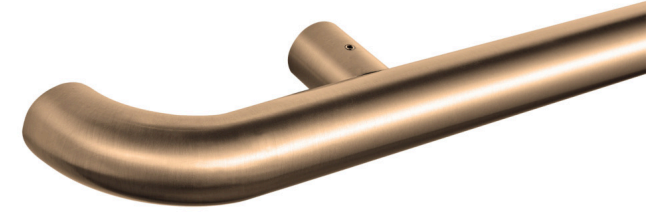

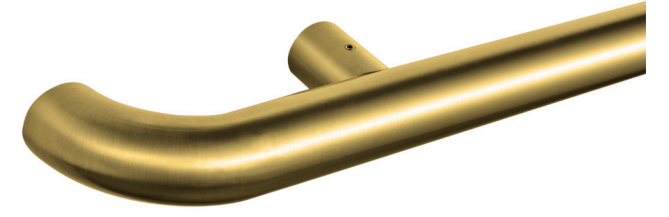

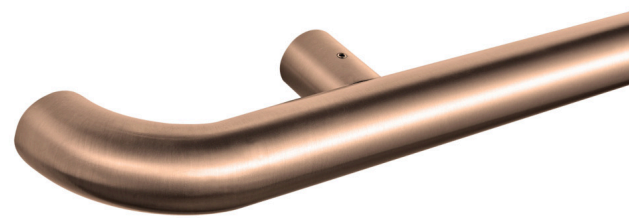

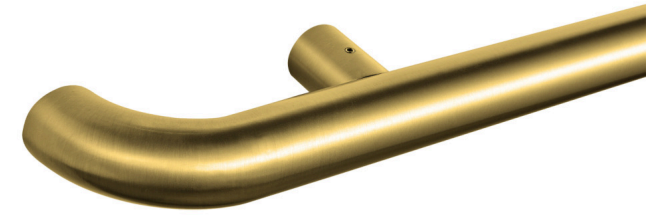

CURVED ENDS

We offer a broad range of solutions for illustrated book publishers to produce digital website content, online user manuals, digital annual reports, flipping e-magazines, flip PowerPoint presentations, flip slide photo albums .

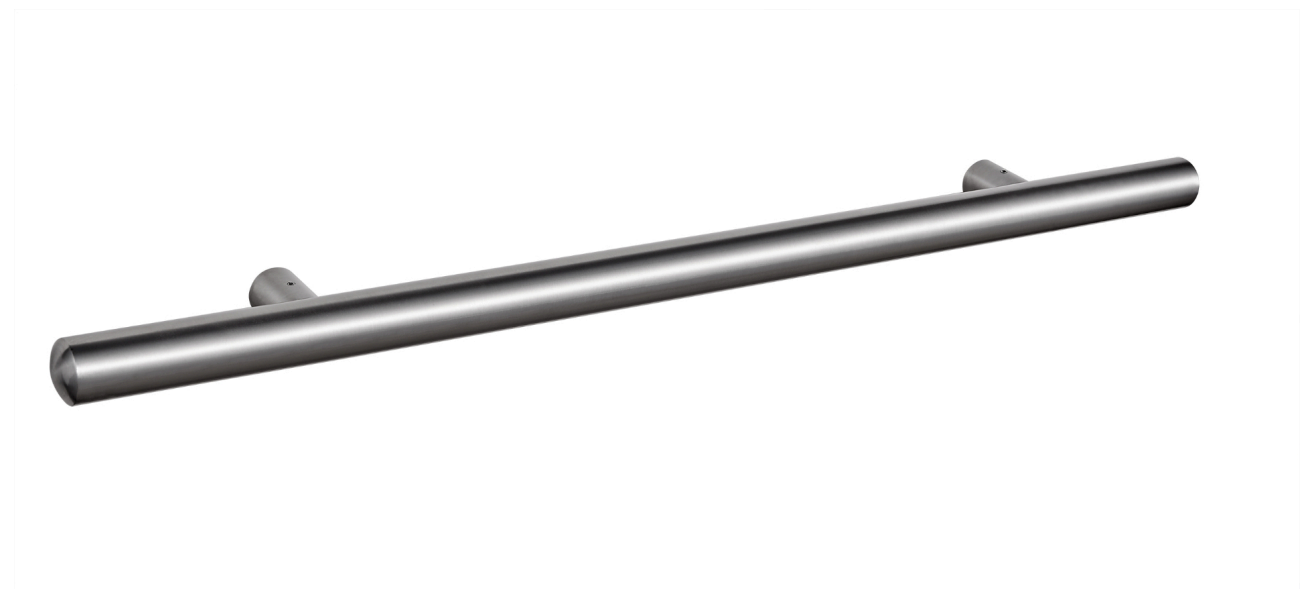

CAP ENDS

Our Cap End Handrails feature a sleek, capped finish for a polished, snag-free design. Ideal for high-traffic spaces, they offer durability, easy maintenance, and optional nano-ceramic coating for stain and germ resistance. Custom lengths and finishes ensure a perfect fit.

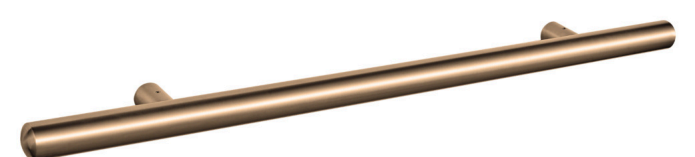

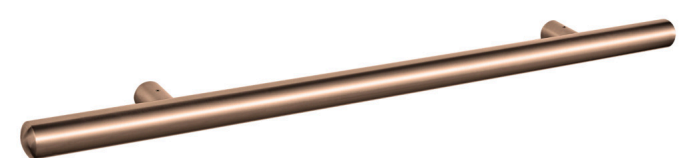

ROUND ELEVATOR HANDRAIL

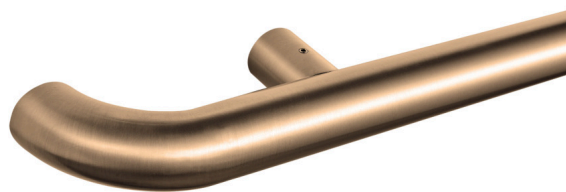

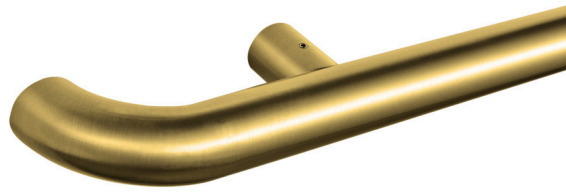

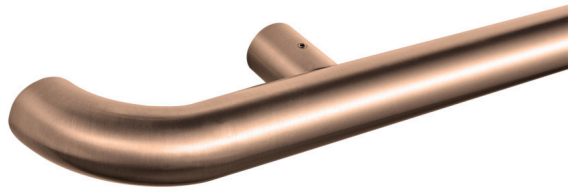

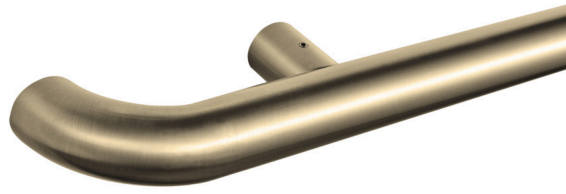

Rounded End Handrails offer a seamless, polished design with fully rounded ends for a smooth, modern look. Free of sharp edges, they ensure a secure, snag-free experience while providing a comfortable, ergonomic grip. Built for durability and style, these handrails are perfect for high-traffic spaces that demand both strength and sophistication.

STRAIGHT ENDS

Our Straight End Handrails offer a bold, minimalist design with durable construction and easy grip. Available in various finishes with optional nano-ceramic coating, they ensure style, strength, and a perfect fit.

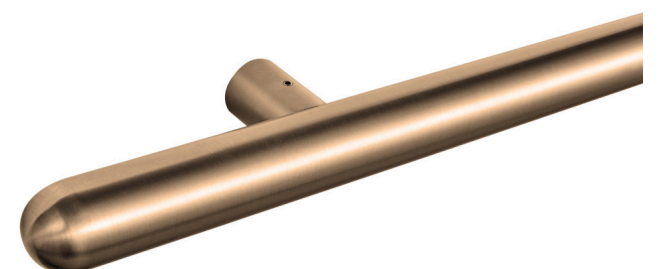

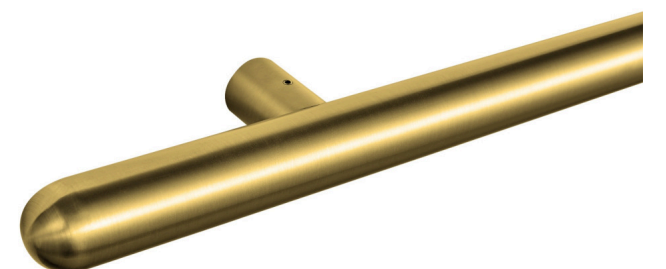

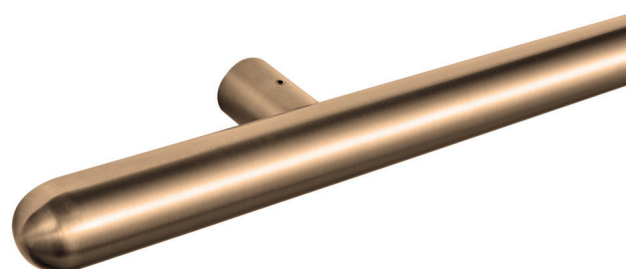

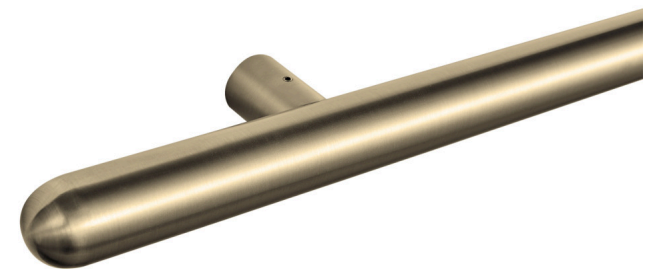

CURVED ENDS

The Curved End Round Handrails feature smooth, tapered ends that exude elegance and sophistication. Designed for both comfort and durability, they offer a refined aesthetic while providing a secure grip. Perfect for upscale environments, these handrails seamlessly blend style and function, enhancing any elevator interior.

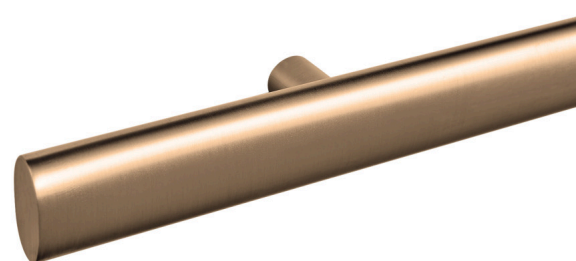

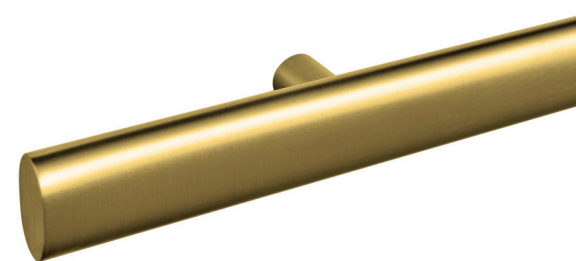

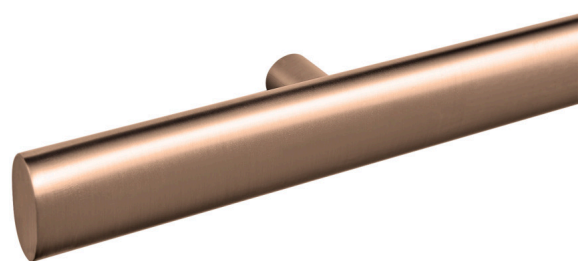

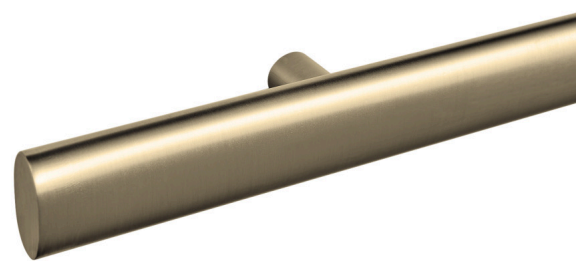

ROUNDED ENDS

Rounded End Handrails offer a seamless, polished design with fully rounded ends for a smooth, modern look. Free of sharp edges, they ensure a secure, snag-free experience while providing a comfortable, ergonomic grip. Built for durability and style, these handrails are perfect for high-traffic spaces that demand both strength and sophistication.

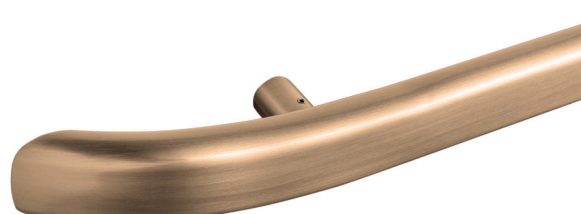

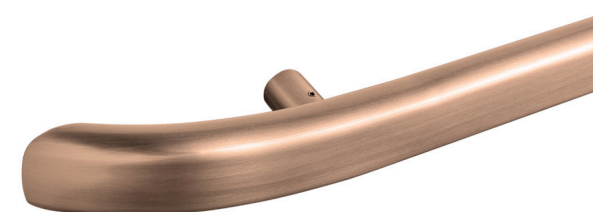

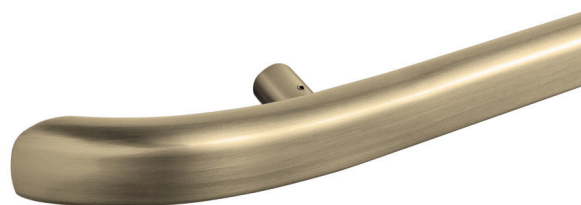

VERTICAL ELLIPTICAL ELEVATOR HANDRAIL

The Vertical Elliptical Handrail offers a sleek and modern profile, ideal for creating a sense of height and elegance in your design. Its vertical orientation provides a slim, streamlined look that adds sophistication to any space, from commercial lobbies to residential interiors.

STRAIGHT ENDS

Straight End Handrails provide a sleek, modern finish with clean lines and a refined profile. Ideal for upscale and minimalist spaces, they offer structure, clarity, and a bold architectural statement while enhancing any interior with contemporary elegance.

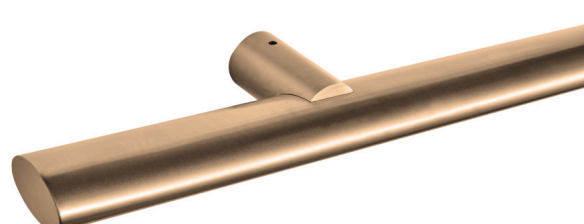

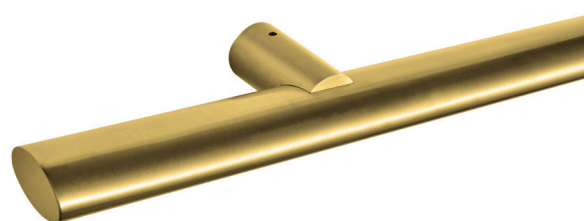

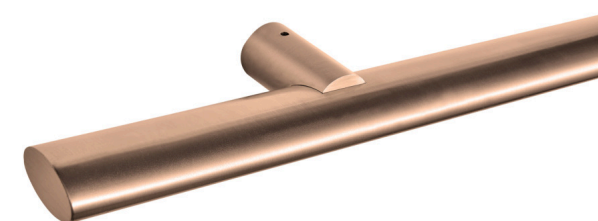

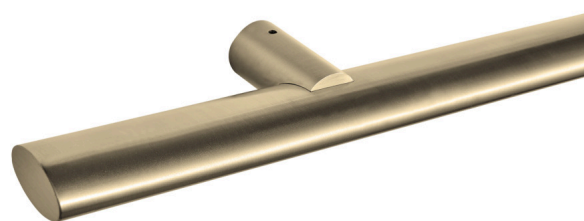

CURVED ENDS

Curved End Handrails offer a smooth, flowing transition that enhances both elegance and comfort. Their gently rounded edges create a sense of continuity, making them feel seamlessly integrated into any space. Ideal for luxury interiors, they balance modern sophistication with timeless appeal, softening angular lines while maintaining a sleek, contemporary look.

HORIZONTAL ELLIPTICAL ELEVATOR HANDRAIL

The Horizontal Elliptical Handrail offers a sleek and modern profile, ideal for creating a sense of height and elegance in your design. Its vertical orientation provides a slim, streamlined look that adds sophistication to any space, from commercial lobbies to residential interiors.

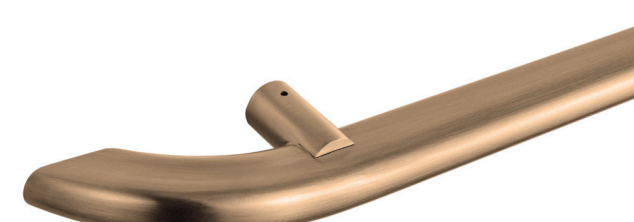

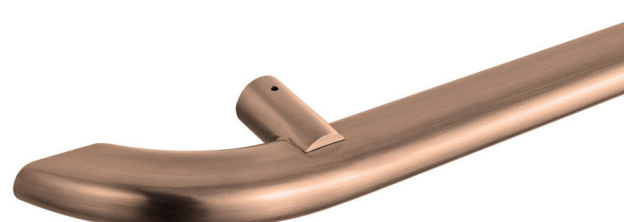

STRAIGHT ENDS

Straight End Handrails offer a sharp, contemporary finish with clean lines and a sleek profile. Ideal for upscale commercial and minimalist residential spaces, they bring structure, clarity, and modern elegance. Perfect for bold, geometric designs, they make a strong architectural statement with a refined, polished look.

CURVED ENDS

Rounded End Handrails offer a seamless, polished design with fully rounded ends for a smooth, modern look. Free of sharp edges, they ensure a secure, snag-free experience while providing a comfortable, ergonomic grip. Built for durability and style, these handrails are perfect for high-traffic spaces that demand both strength and sophistication.

FUSION GRIP

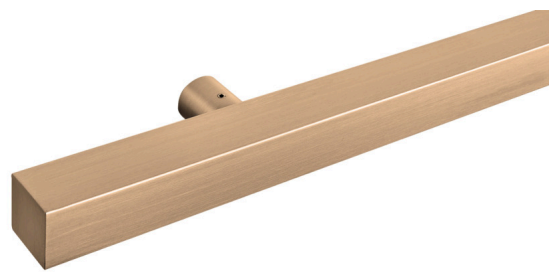

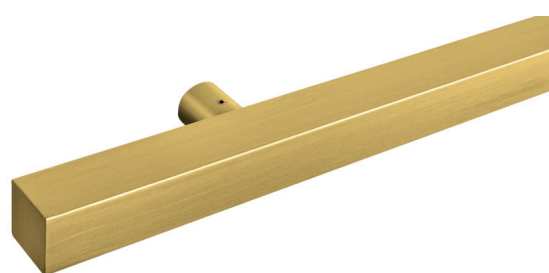

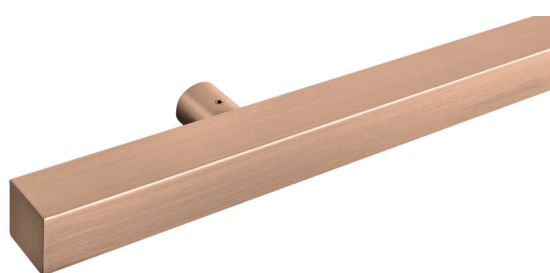

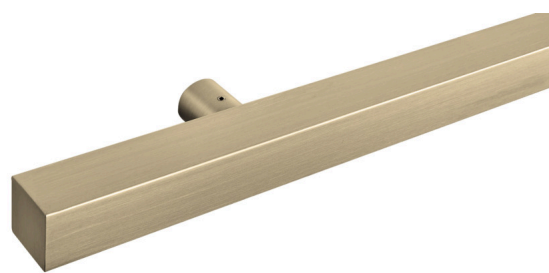

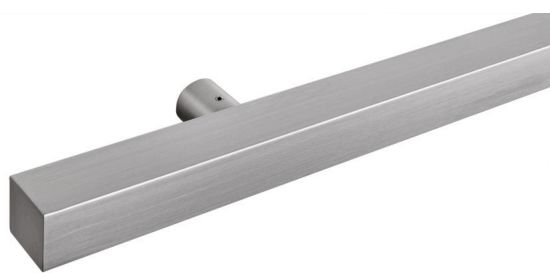

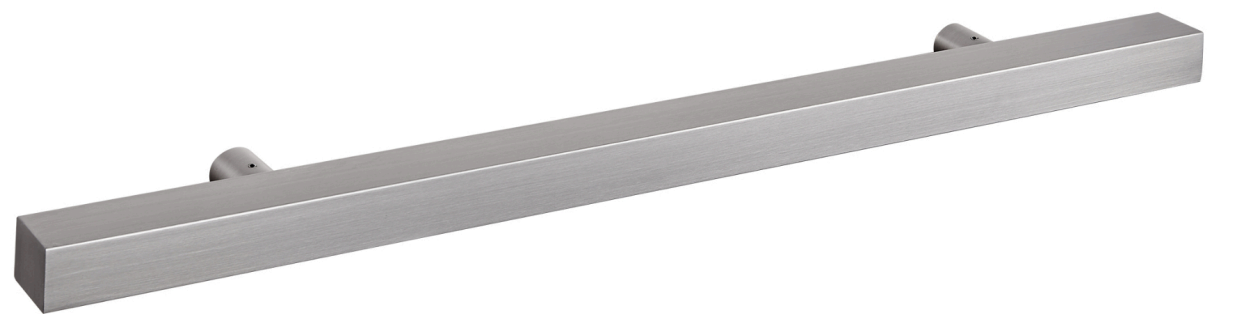

ELEVATOR HANDRAIL

Our Fusion Grip Elevator Handrails feature a unique holder design for secure, stylish wall attachment. With a sleek, rounded profile and innovative mounting system, they offer both modern aesthetics and enhanced stability. Built for durability and heavy use, they are ideal for high-traffic spaces where strength and design matter.

RECTANGLE ELEVATOR HANDRAIL

Our Rectangle Elevator Handrails feature a sleek, minimalist design with clean lines and a sturdy structure, perfect for modern interiors. Their rectangular shape provides a comfortable grip and strong support, making them ideal for high-traffic areas. Built for durability, they add a polished, professional touch to any elevator space.

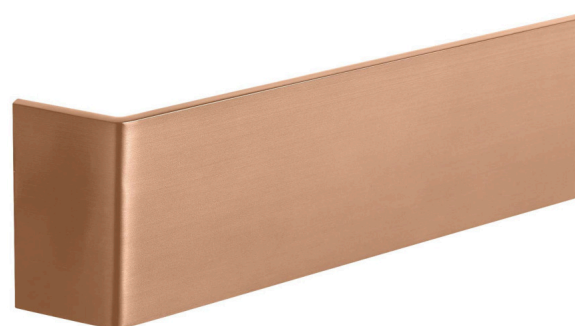

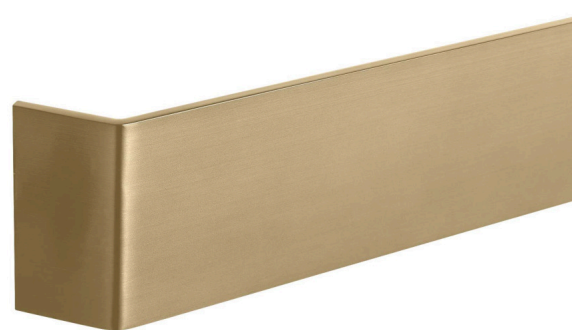

SQUARE ENDS

Rectangle Elevator Handrails combine strength, performance, and refined aesthetics. Their sharp, clean profile enhances visual appeal while ensuring easy maintenance and ergonomic support. Designed for durability, they withstand heavy use in both commercial and residential settings, adding a modern, sophisticated touch to any elevator interior.

ELEVATOR KICK PLATES

PROJECT WITH STYLE

Our Elevator Kick Plates provide essential protection while adding a sleek, modern touch to your elevator interior. Designed to shield the lower section of elevator doors and walls from scuffs, dents, and wear caused by foot traffic, luggage, or equipment, these kick plates ensure long-lasting durability.

CURVED ENDS

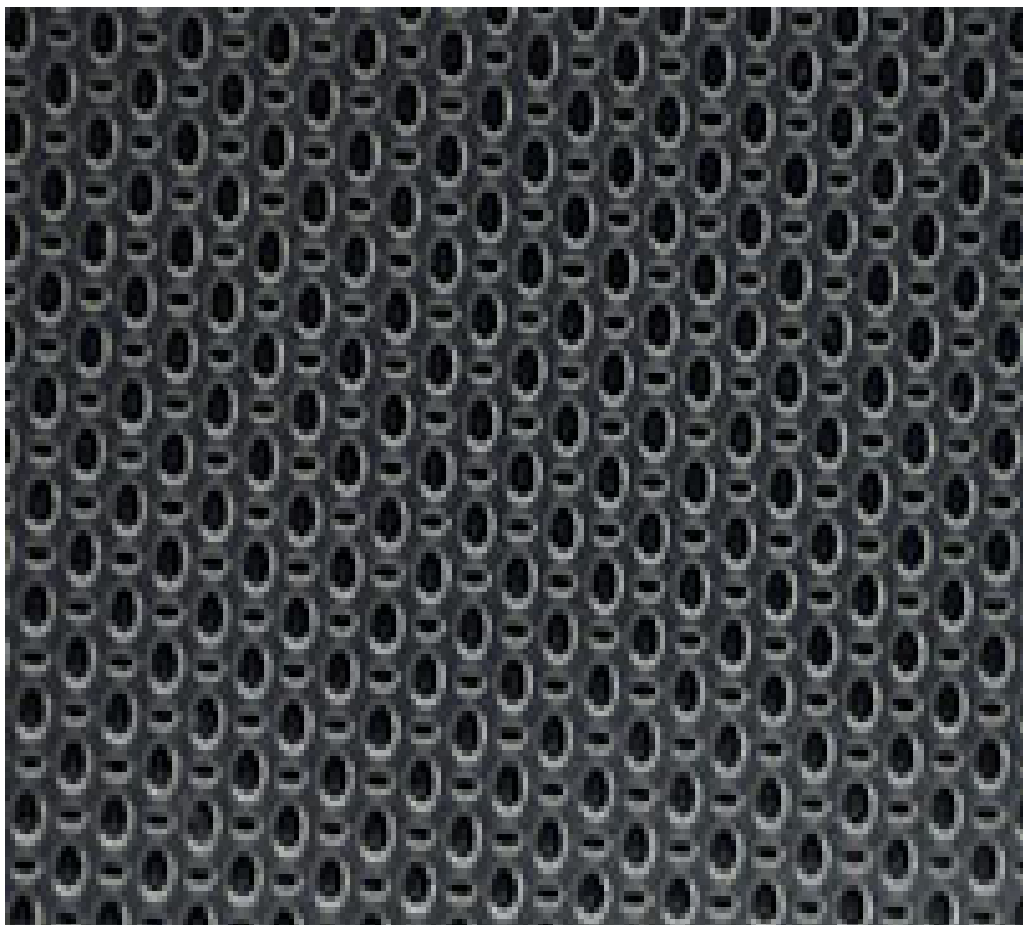

Durable Protection for Your Elevator's Longevity . Crafted from premium materials, our Elevator Kick Plates are built to withstand constant impact while retaining their stylish appearance. Easy to clean and maintain, they provide a functional barrier that extends the life of your elevator's interior.

LINEN FINISH EMBOSSSED

We offer customizable handrail finishes, including the Linen finish—an elegant, embossed stainless steel design that combines timeless style with exceptional durability.

AVAILABLE IN SIX ELEGANT COLORS

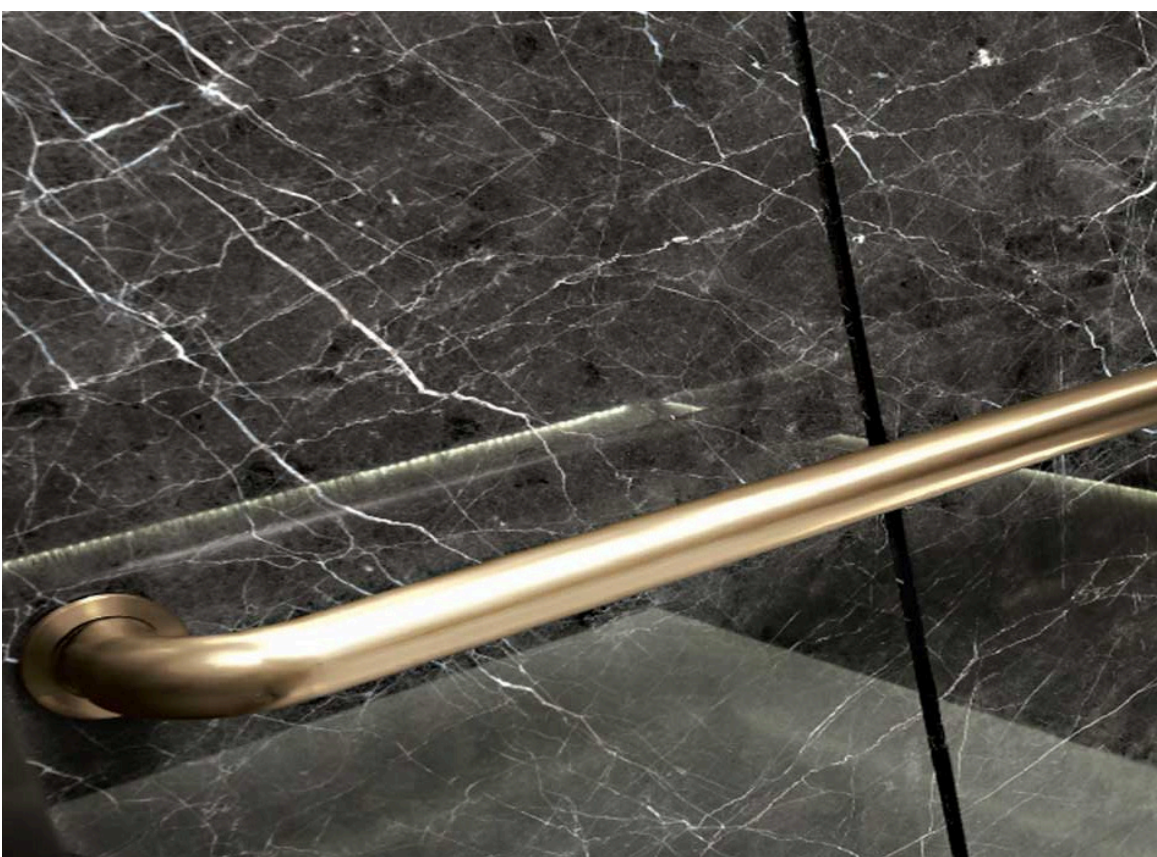

Our Linen finish handrails are available in a variety of sophisticated colors, including Silver, Gold, Black, Champagne, Bronze, and Rose Gold. Each color enhances the embossed texture, offering a perfect blend of durability, style, and functionality for any space.

CUSTOMIZATION & ORDERING

We understand that every project has unique requirements, which is why we offer fully customizable handrail solutions tailored to your specific needs. Whether it's a particular size, finish, or mounting option, our team is ready to create the perfect handrail for your space. For more information on customization options, pricing, or to start your order, visit our website at www.victoriasurface.com.

Lead Time: Each project is carefully crafted to meet our high standards of quality and durability. Please allow 4-6 weeks for production and delivery.

We also have a wide range of stainless steel solutions available. Visit <https://royaldecorsteel.com/> to explore our full offerings.
